A corrigendum on

Furanodiene Induces Extrinsic and Intrinsic Apoptosis in Doxorubicin-Resistant MCF-7 Breast Cancer Cells via NF- κ B-Independent Mechanism

by Zhong, Z.-F., Yu, H.-B., Wang, C.-M., Qiang, W.-A., Wang, S.-P., Zhang, J.-M., et al. (2017). *Front. Pharmacol.* 8:648. doi: 10.3389/fphar.2017.00648

In the published article, there was an error in affiliation 1. Instead of “¹Guangdong Key Laboratory for Research and Development of Natural Drugs, Guangdong Medical University, Zhanjiang, China”, it should be “¹Guangdong Key Laboratory for Research and Development of Natural Drugs, School of Public Health, Guangdong Medical University, Zhanjiang, China.” The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.
