Professor Haifeng Li
University of Macau

Dear Prof Li,

We, Centre for Neutron Scattering, City University of Hong Kong are organizing Hong Kong Forum on Quantum Spin Systems on 13-16 December 2024, with registration on 13 December 2024. This Forum will be held at City University of Hong Kong to focus on neutron scattering research on quantum magnetism, which includes frustrated magnets and related topics.

In view of your distinguished contribution to the field, we would like to invite you as an invited speaker to share your recent works. We fully expect that your participation will be stimulating and contribute to the discussions among our colleagues from around the world.

We are looking forward to seeing you in Hong Kong.

Sincerely yours,

Professor Wei Bao
Chair Professor in Physics
City University of Hong Kong
